To Whom It May Concern:

This is to certify that Beck Manufacturing's Seamless Pipe Nipples are manufactured from Grade B Seamless material and are in full compliance with the latest ASME SA-106/ASTM A106 and ASTM A733 specifications. This material also meets all of the requirements of the ASME SA53/ASTM A53 Specification.

Galvanized nipples are made from hot-dipped galvanized pipe in accordance with the ASTM A123 Standard.

All of our Seamless Nipples are manufactured from new, mill tested pipe, and will be marked with the Beck Trademark  or Anvil  Trademark and other applicable information, for identification purposes.

Sincerely,

Dale E. Thompson  
Quality Manager
