To Whom It May Concern:

This is to certify that all Beck Manufacturing Stainless Steel Nipples – (both welded and seamless) are manufactured from material meeting the latest ASTM A312 Specification - Grades ASTM TP304/TP304L and TP316/TP316L. The threads are produced and inspected in compliance with the latest ASTM A733 specification and ANSI B1.20.1 Specification for General Purpose Taper Pipe Threads, NPT.

All materials have been sampled, inspected and confirmed to be in full compliance with all requirements of the applicable specifications.

Sincerely,

Dale E. Thompson  
Quality Manager
