

DECLARATION OF CONFORMITY

Gruvlok® and AnvilStar® to Pressure Equipment Directive 97/23/EC

Anvil International® declares conformance to the Essential Safety Requirements defined in the Pressure Equipment Directive 97/23/EC for the following products.

<u>Product</u>	<u>Description</u>	<u>DN</u>	<u>PS</u>
Figure 7000, 7000E, C3	Flexible Coupling	DN25 – DN200	PN20
Figure 7001E, C1	Flexible Coupling	DN32 – DN300	PN20

Pressure Equipment Directive (PED) requirements have been fulfilled for Standard Engineering Practice and Categories I, II, and III equipment as determined through assessment and surveillance of the Anvil International® quality system according to Module H by LPCB / BRE Global. Products comply with the following standards: ISO 9001:2008, ISO-898-1, ISO 898-2, EN 10204, ASTM A-536, ASTM A-563, ASME B31.1, SAE J429, SAE J995.
