### **AnvilStar Certificate of Compliance / Schedule 40 Seam Welded Pipe Nipples**

To Whom It May Concern,

Seam welded pipe nipples manufactured under the supervision of AnvilStar bearing the SPF<sup>®</sup> logo are manufactured in China in strict accordance with the material and dimensional requirements of ASTM A733.

#### Material

4" nominal diameter and under pipe nipples are manufactured from schedule 40 ASTM A53 Type F, Grade A or ASTM A53 Type E, Grade A or B with black or galvanized finish as ordered.

6" nominal diameter pipe nipples are manufactured from schedule 40 ASTM A53 Type E, Grade A or B with black or galvanized finish as ordered.

#### Threading

NPT tapered pipe threads conform to the requirements of ANSI/ASME B1.20.1 except for close nipples where L4 and V are shorter due to fewer imperfect threads.
