

Anvil Dakota Smart-Nut™

For Mechanical Plumbing and HVAC Systems

Fig. AS DAK NUT
12 Gauge Silver

Fig. AS DAK NUT
14 Gauge Gold

The new Dakota Smart-Nut is a fast-installation solution for trapeze and multi-tiered trapeze hangers in mechanical plumbing and HVAC applications.

Compatible with 12 and 14 gauge strut with $\frac{9}{16}$ " x $1\frac{1}{8}$ " slots and common $\frac{3}{8}$ " coarse threaded rod. Dakota Smart-Nut reduces total installation time of trapeze hangers by 7 times compared to the standard method.

The unique snap-on and twist-to-lock features of Dakota Smart-Nut eliminate the need to clean or chase threads after field cutting threaded rod, and make time-consuming threading of standard nuts unnecessary.

Faster, easier installation decreases labor costs significantly and reduces overall material cost. The quarter turn lock provides visual verification of proper installation.

Features & Benefits

- Installs and removes quickly
- For 12 and 14 gauge slotted strut
- No cleaning or chasing of threads
- Simplifies trapeze and multiple trapeze installations
- Provides visual verification of proper install
- Made in USA

Dakota Systems
is a division of
Mag Daddy LLC.

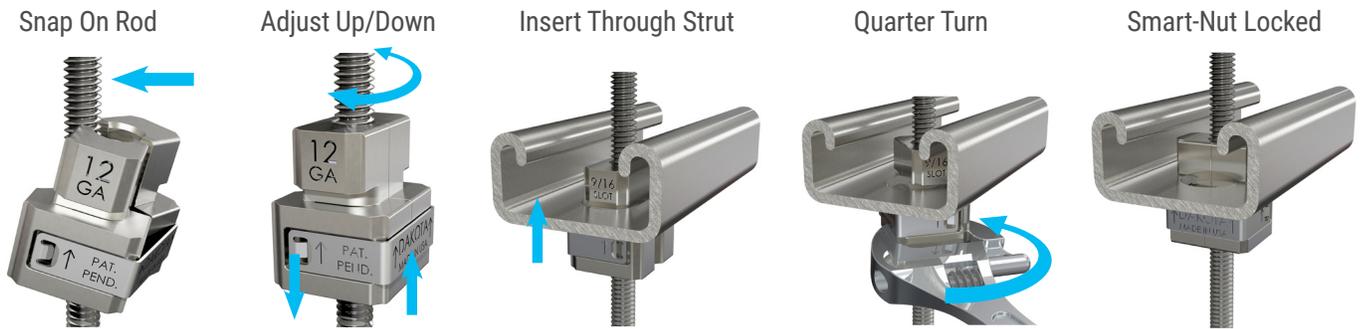

Figure Number AS DAKNUT

Item Numbers	Product Descriptions	Gauge	Thread	Qty per Box
240062000	Smart-Nut 12 Gauge $\frac{3}{8}$ -16	12	$\frac{3}{8}$ -16	100
240062002	Smart-Nut 12 Gauge $\frac{3}{8}$ -16	12	$\frac{3}{8}$ -16	400
240062020	Smart-Nut 14 Gauge $\frac{3}{8}$ -16	14	$\frac{3}{8}$ -16	100
240062022	Smart-Nut 14 Gauge $\frac{3}{8}$ -16	14	$\frac{3}{8}$ -16	400
